Subject: Review of Reclamation Surety, State Stone, Torrey Buff/Red Quarries, S/055/0021, Wayne, Utah

Dear Mr. MacKay:

On June 8, 2016, the Division issued Cessation Order MC-2016-07 which required that you post additional reclamation surety or reclaim the Torrey Buff/Red Quarries by August 12, 2016. The Division has not received the additional surety or been informed that the reclamation work has been completed.

The Division anticipates inspecting the site in September 2016. Failure to post additional surety or reclaim could result in issuance of fines of \$750.00 per day beginning August 12, 2016.

Please contact the bond coordinator, Penny Berry, at 801-538-5291 or by email at [pennyberry@utah.gov](mailto:pennyberry@utah.gov) for information about submitting the additional surety. The current surety is a cash deposit. You may increase the cash deposit, or you may submit a letter of credit, a certificate of deposit, or a surety bond for the increased or the full amount. Bonding forms are available on the Internet at <http://www.ogm.utah.gov/minerals/MINERALSFORMS.htm>.

The Division searched the Mine Safety and Health Administration's database and was unable to find an MSHA number for the mine or State Stone Corporation.

Please contact the permit lead for this mine, Wayne Western, at 801-538-5263 if you have questions concerning this requirement.

Sincerely,

Paul B. Baker  
Mining Program Manager
